Thanks to my family and friends and all the fine musicians who made these songs anew.

Special thanks to Bruce Haymes for the comfort zone, Mark Punch for his sublime guitar, Spencer P Jones and Kevin Bennett for their gorgeous vocals, Susan D'Urso for the autumn beauty of Apsley, Mt Macedon and Emma Phillips for her gracious enthusiasm.

Thanks also to Vika Bull, Tina Harrod and Steve Hoy for their encouragement and support.

For Lewis, a true wonder child.
